# Bird Feeder

This simple and eco-friendly bird feeder uses everyday household items, making it an easy 5 minute craft for children. It's a fun way to encourage kids to observe and care for local birdlife.

## You will need:

- Empty toilet paper roll
- Peanut butter (or lard as an alternative)
- Birdseed
- String or twine
- Butter knife or spoon
- Shallow dish or plate

## Instructions:

### Apply Peanut Butter or Lard:

Using a butter knife or spoon, spread a generous layer of peanut butter over the outside of the toilet paper roll.

### Add Birdseed:

Pour birdseed into a shallow dish.

Roll the peanut butter-covered tube in the birdseed until it's fully coated.

### Attach String:

Thread a piece of string through the hole of the roll and tie it securely to create a hanger.

### Hang the Feeder:

Choose a tree branch or suitable spot in your garden to hang the feeder.

### Observe:

Watch as birds come to enjoy their new feeder!
